ACCOLADE

is a leading tool and equipment supplier backed by a group of industry experts and visionaries. We are located at Barwa Village in Al-Wakra, Doha state of Qatar.

We started this journey in 2012. From inception, as a solution provider, we are committed to making available the best products through a portfolio of brands such as Bosch, Karcher, Kindrick, Otto, Vaultex, Stanley, Rothenberger, 3M etc. These brands have always been complemented by their global recognition and uncompromising focus on quality.

We strive to upgrade all the products, concerning novelty and feasibility. In Accolade, we have showcased a large array of products including equipment and tools. The sectors in which we operate are Garage equipment, Body shop equipment, Air Solution & Construction equipments, Hand Tools, Power Tools, Safety Products and Building Materials.

As a team, we accept all the challenges and have become compatible with deadline-driven situations. Our team of employees consistently takes advantage of knowledge and experience to give the best behaviour.

Vision

To be the most reliable and leading solution provider in GCC.

Mission

To become the best, we focus on constantly upgrading knowledge and are committed to offering the latest products in partnership with leading manufacturers in the world.

Our Values

Flexibility

As a team, we exhibit no resistance to change. We are adapted to novel ideas and progressive thoughts.

Innovation

We are very passionate about seeking and selecting the latest varieties of products to cater to customer demand.

Loyalty

We prioritize giving exemplary service, thinking that it is the only way to bind the customer emotionally.

Collaboration

We think that sharing added value. To become a good performer in the industry, you need good partners too.
