## ***CORPORATE STRUCTURE & KER PERSONNEL***

**Al Ghorairi & Partners W.L.L.** established in 1982 and widely recognized as one of the leading providers of Sports Facilities, Industrial Fencing, Landscaping and Specialist in Contracting. Nearly last three decades Al Ghorairi has been part of many noteworthy projects in Qatar and has played a key role in Qatar's ambitious plans to become a well recognized player on the international sporting map.

The management team and employees of Al-Ghorairi who gained their experience and know-how from various projects that Al-Ghorairi executed in the last three decades to government and corporate companies in Qatar. The major fields of expertise are in the following domains:-

- Multipurpose Court/Tennis/Basketball/Paddle/Volleyball Courts & Football Field surfacing.
- Indoor Sports Flooring
- Outdoor Sports Flooring
- Artificial Grass / Landscaping works
- Squash Courts
- Security Fencing (Chain Link Fence, Palisade Fence & Weld mesh Fence)
- Children's Playground and Play Equipment
- Playground Equipments
- Construction Building & Civil Works

We, *Al Ghorairi* are committed to top quality job performance, starting from the preliminary phase of the design to the post phase of warranty support. We are committed to accurate and realistic preliminary design, implementing the right time schedule, and closely following up the phases of execution.

We represent many internationally reputed manufacturers, consultants and service providers, and their technical support help to make complete satisfaction of our customers.

### • ***Contracting Division / Construction Division***

Superior products, highly skilled installers, expert advice from internationally renowned staff, and unrivalled after sales support makes Al Ghorairi the perfect choice for all your sports surfacing requirements.

Al Ghorairi, Qatar's most experienced sports surfacing company, offer a complete range of indoor and outdoor sporting surfaces including IAAF Approved Running Tracks, FIFA Approved Synthetic Pitches, ITF Approved tennis courts, FIBA Approved Timber Floors and more. Based in Doha, Al-Ghorairi can provide turnkey facility installations including lighting, fencing, and seating.

#### ➤ **Experience**

Al Ghorairi has been providing sports surfacing solutions to schools, government, and sporting bodies for over almost three decades. These jobs range in size from small sports court areas right through to international standards running tracks. In a market with some of the harshest UV conditions in the World, Al Ghorairi has seen how varying products perform in the long term. As such we are in the position to offer first hand advice on suitable high quality surfacing solutions.

➤ **Internationally Renowned Staff**

Our team of sales people, project managers, and installers bring with them a wealth of knowledge and installation expertise from around the World. Collectively our staff have experience in the sports surfacing industry, and have worked on major projects including surfaces for the 2006 Asian Games.

➤ **Locally Based**

Whilst many companies in the market place simply represent products here in Qatar, Al-Ghorairi is a locally based company with a large installation team who can add value to your project, rather than just a commission. Whilst others simply have installation teams who pack up and go home once the job is finished, Al Ghorairi is only just a phone call away. Whether it is free advice on project design and surfacing solutions, recommendations on the maintenance of your quality installation, or performing minor repair work – Al Ghorairi is always here to ensure the smooth and timely delivery of your projects. This is especially comforting to head contractors on major projects.

➤ **Quality Workmanship**

Our vast experience installation team are not only market leaders in Qatar but are also amongst the most experienced, qualified and recognized teams in the world. Whatever your sports surfacing requirement, Al Ghorairi will ensure a high quality finish right down to the minute details.

➤ **Proven Market Leading Products**

In more than 28 years working in the sport surfacing market, Al-Ghorairi has seen the first hand almost all the products that have track record of success throughout the rest of the world are able to perform under the harsh conditions here in Qatar. Products have to be able withstand some of the highest UV ratings in the world, as well as be capable of handling the movement in asphalt and concrete sub-bases that results from extreme ranges in temperature. Al-Ghorairi will only install products that have proven they can perform to the highest standards in the local conditions.

Headed by **Mr. Graham Young**, an Engineer from UK who has been working with the firm for the last 26 years is the manager of this division. Mr. Young is arguably the most experienced Project Manager for sports surfaces in the Middle East. As such, Mr. Young has a great understanding for the market place in Qatar, and has a great track record in timely completion and high quality installation. Some of the major projects that Mr. Young has been responsible for here in Qatar include:
