Al Wakra Falcon: Your Partner in Industrial Supply

At Al Wakra Falcon, we are specialists in providing a complete range of industrial solutions to support Qatar's growing sectors. Our expertise covers critical areas including **safety solutions**, **hydraulic solutions**, **electrical solutions**, and **telecom solutions**.

We also offer comprehensive **scaffolding** and **transportation solutions**, and supply a wide array of high-quality **special tools**, **power tools**, and industrial **consumables**. Furthermore, our extensive network allows for efficient **global sourcing** to meet any specific project requirement.

Mission

To be the leading provider of high-quality industrial solutions in Qatar, empowering our clients with a diverse range of specialized tools, safety equipment, and services, all delivered with an unwavering commitment to efficiency, reliability, and global sourcing excellence

Vision

To be recognized as the premier partner for industrial growth and innovation in Qatar, setting the standard for quality, service, and sustainability. We envision a future where Al Wakra Falcon is at the forefront of industry, continuously expanding our capabilities and global reach to meet the evolving needs of a dynamic market.

Our Values

- **Excellence:**

We are not just a supplier; we are a partner dedicated to excellence in all we do. This means we are committed to delivering the highest quality products and services, from the tools we source to the logistics of their delivery. We continuously evaluate our processes and seek feedback to ensure we are not just meeting, but consistently exceeding, industry standards. Our goal is to be a benchmark for quality and professionalism in Qatar's industrial sector.

- **Integrity:**

Integrity is the bedrock of our relationships. We conduct every business transaction with unwavering honesty and transparency. This means providing accurate information about our products, honoring our commitments, and maintaining confidentiality. We believe that building trust with our clients, suppliers, and employees is the foundation of long-term success. Our word is our bond.

- **Reliability:**

In the industrial world, reliability is non-negotiable. Our clients depend on us for the critical components and services that keep their projects on track and their operations running smoothly. We ensure our supply chains are robust, our logistics are efficient, and our team is always responsive. You can count on Al Wakra Falcon to deliver the right solution, on time, every time, giving you the confidence to focus on your core business.

- **Safety:**

Safety is our highest priority and is embedded in everything we do. We are committed to providing top-tier safety solutions and equipment that protect people and assets on the job site. We go beyond just supplying products by staying up-to-date with the latest safety regulations and technologies. Our ultimate goal is to contribute to a culture of safety across all the industries we serve, ensuring that every worker returns home safely.

- **Innovation:**

The industrial landscape is constantly evolving, and so are we. We proactively seek out new technologies, more efficient processes, and smarter solutions to meet the dynamic needs of our market. Through our strong global sourcing network, we bring cutting-edge tools and products to Qatar. We are driven by a forward-thinking mindset, empowering our clients to stay ahead of the curve and embrace new opportunities for growth and efficiency.

Brands We Deal

Electromechanical Works

Al Wakra Falcon offers a wide range of electromechanical services, including the **installation, maintenance, and repair of electrical and mechanical systems**. A team of skilled technicians ensures that all projects adhere to the highest standards of safety and quality. This service is essential for maintaining the operational integrity of various facilities and equipment.

Fabrication services

Portable toilets

Al Wakra Falcon offers the manufacturing of high-quality, durable portable toilets. These self-contained units provide essential sanitation facilities for locations where permanent plumbing is not an option, such as construction sites, outdoor events, and public parks. Our portable toilets are designed for hygiene, easy maintenance, and robust performance in various environments.

Resting Shelters

Our resting shelters are designed to provide a comfortable and protected space for individuals to take a break. These structures offer a shaded area away from direct sunlight, rain, or other weather elements. Ideal for industrial sites, public areas, and employee break zones, our resting shelters are built with sturdy materials to ensure durability and provide a safe, designated area for rest.

Smoking shelters.

Al Wakra Falcon manufactures smoking shelters that provide a dedicated and contained space for smokers. These structures are essential for complying with non-smoking regulations while offering a comfortable and designated area. Our smoking shelters are designed with proper ventilation and seating, helping to manage smoke and maintain a clean, safe environment for both smokers and non-smokers.

The vibrant landscape of Qatar is being shaped by the incredible work of contractors, workshops, and industrial projects every single day. At Al Wakra Falcon, we are passionately committed to fueling that progress. Our purpose is to be the unwavering support system for these vital sectors. We have dedicated ourselves to building a **comprehensive, one-stop supplier** network that anticipates and meets every industrial and construction-related need. Our ambition is to be more than a supplier; we aim to be an indispensable part of your success story. Whether you're building a new skyscraper, maintaining critical infrastructure, or crafting custom solutions, you can count on us to provide the tools, materials, and support you need, precisely when you need them. We believe in your work, and we are here to provide the foundation for your greatest achievements.
