3) In the case any information included in the ICV Certificate requires further validation, contact should be made with Tawteen.

Our Offered Services

Total turnkey contracts on complete MEP works

Annual maintenance contracts of MEP Package, Fire alarm& Firefighting.

Pump Packages–Domestic, chilled water, Fire Fighting & pressurization units

Armor is certified by Qatar Civil Defense and provide complete range of Supply Installation and Maintenance of Fire Fighting, Fire Alarm, FM200, Foam, Kitchen Hood and Aerosol systems etc.

Mechanical Ventilation and Stairwell Pressurization systems

Plate & Heat Exchanger (PHE) Supply, Installation, Testing &Commissioning, and Annual Maintenance Contract.

Chilled and ETS Plant–Supply, Installation, Testing & Commissioning, and Annual Maintenance Contract.

Supply installation of HDPE, Ductile Iron, welded carbon steel piping & pre-insulated piping

Supply installation of Plumbing and Drainage system

Armor is certified by Qatar General Electricity & Water Department (KAHRAMAA) and provide complete range of Electrical/ELV services

our core values

Our core values are translated into every aspect of our business.

Integrity: We trust and can be trusted.

Integrity is the guiding principle in our business interactions. It is an unconditional commitment to respect the trust of clients and employees alike. We stand by what we say and take accountability on every decision we make

Quality: We always strive for the best.

Delivering optimum quality services is a must. We do not aim to meet customers' expectations. We aim to exceed them.

Human capital: We believe in our team.

Our most valuable asset is our team. We cherish a learning culture and nurture the potential of our employees.

Innovation: We will always find a way.

Our company strives to continuously come up with solutions that create value for customers. We empower employees and embrace innovative developments in all our business processes.

Sustainability: We respect our environment and community.

Our company cares for the environment. Conserving valuable resources is one of our many environment-friendly strategies. Maintaining sustainable operations is also part of our strategy to continue serving our community for many generations to come.

What we do

Engineering

Mechanical

Plumbing

Electrical
