## About Us

We, Associated Technical Trading W.L.L, take pleasure in introducing ourselves as a specialized and dedicated team of professionals with over two decades of extensive knowledge and expertise in marine, Industrial, Construction and Oilfield supplies and handling Project Contracts. Associated Technical Trading W.L.L is registered and based in Qatar.

With our well established Global sourcing-network, Associated Technical Trading W.L.L is capable of serving the end-users by offering high quality supply and services of products to meet their diverse and time bound critical project requirement.

We are well known among major industrial sector and oil companies for our expertise and capability to source out critical project requirements and "difficult and hard to find items" as well as "obsolete" parts and equipment in emergency supplies in case of a breakdown or shutdown cases.

## Commitment

We are proactive in finding solutions for our clients that best achieve their goals. Long lasting relationships are the lifeblood of our business.

We want the client to feel that our staff is even more committed to the effort than their own staff that's what distinguishes us. Personal attention to our clients as individuals. As We understand that a service provider can play a key role in the progress of a company. ATT will invent new horizons by adopting modern em-friendly skill and technologies in construction industry in coming years.

**"Success is not a destination it's a journey"**

## Integrity

We remain true to our founding values of quality, honesty and hard work. We have the highest ethical standards in the industry. We "do the right thing at right time." ATT business is based on mutual trust. ATT is consistently associated with the high standards of service, quality, personal attention to clients, and integrity. Because of this company has good reputation in the market.

## Team Work

We recognize our primary asset is people to be successful, ATT must be a rewarding place to work. We provide opportunity and encouragement to help our people reach their potential. We work with our clients as a team. Mutual respect provides the foundation for our success. Every aspect of our Operation, Engineering, Pricing, Supply, Customer Support and Maintenance are completely customer driven. ATT positions itself as a knowledge and trustworthy company that would take in customers as lifelong partners and guide them through their business requirements
