The Master of Consistency and Quality

ARACO Overview

Quality Construction. Honest Service. Great Value.

ARACO is a leading provider of heavy equipment, construction and transportation in Qatar, backed by strategic investments and a strong product portfolio.

It is the authorized dealer of Volvo Construction Equipment & SDLG in Qatar.

The company was established in 2003 and has experienced rapid growth since. development and delivering the customer support is backed by its 46,000 m² facility with a team of highly-trained technicians and service personnel ,available 24/7 to provide impeccable after-sales support.

ARACO Product line-up

Volvo Excavators

Volvo Wheeled Excavators are highly-flexible workers on-road or off-road. These highly versatile machines give you the bucket, attachment and digging performance you need.

Volvo Crawler Excavator are ready to help you dig and reach new levels of excavating equipment efficiency.

Each **crawler excavator** model is designed and built to deliver long-lasting performance, powerful strength and leading fuel efficiency.

Volvo Wheel Loaders / Articulated Hauler

Volvo compact loaders and loaders are loaded where it counts, pushing your front end bucket loader productivity higher. From mini loaders to large production machines.

Volvo Construction Equipment developed the artics concept. And around the globe, we're still the undisputed leader of dumper truck hauling in the most demanding conditions, terrain and applications.

Volvo Compact Excavators

When productivity, efficiency and cost-effectiveness are key aspects of your business, Volvo compact excavators deliver every time. Superior technology provides the best performance and efficiency for reduced costs and maximum uptime. Volvo also guarantees constant technical support and efficient logistics to keep your machine working.

Volvo Asphalt Compactors

Volvo asphalt compactors have been designed to help you deliver maximum productivity, density, and smoothness on smaller compaction projects. These reliable double drum machines are simple to operate.

Volvo paving equipment has a double advantage: over 75 years of proven Blaw-Knox and ABG paving technology, plus the innovative engineering, safety and global support Volvo is known for it.

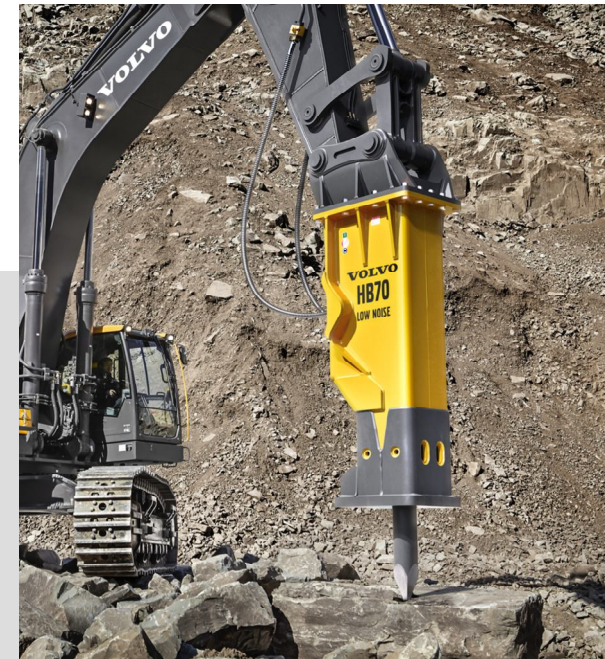

Volvo Skid Steer / Hydraulic breaker

Volvo Skid Steer (skid steer loader) is one of the most versatile machines on the job site. Whatever your challenge is, Volvo offers you a full line of Radial lift skid steer loader or Vertical lift skid steer loader machines.

Volvo Hydraulic Breakers Introducing Volvo's range of purpose-built hydraulic breakers, designed to work in harmony with your Volvo excavator. Volvo breakers are available for both new and existing machines in your fleet.

SDLG Wheeled Loader

SDLG Wheeled Loader The company was bought by Volvo Construction Equipment in 2008, giving Volvo what is considered a premium product range within the Chinese domestic market and a lower cost alternative for all other global markets. **SDLG Wheeled Loader** is a reliable, high-performing equipment and the leader for fuel efficiency, an excellent choice for productivity and uptime.

SDLG Backhoe Loader

SDLG Backhoe Loader is remarkably versatile, whether you are using the loader or the excavator, it has the power and maneuverability to handle most jobs in this weight class. The Weichai engine together with the efficient SDLG hydraulic system provides 60 kN breakout force.

ARACO's Customer Support Services

Araco's Training Academy

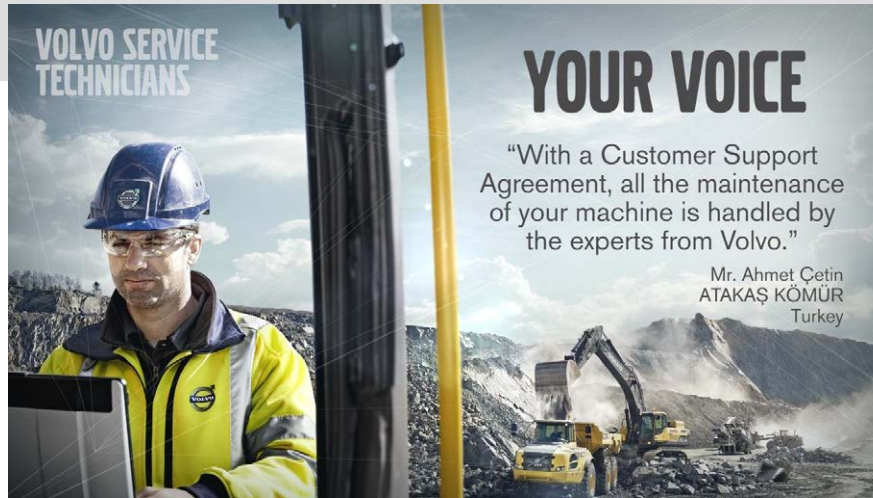

was successfully operated on the 2nd quarter of 2015 to suffice the increasing demand of the clients' operators who will undergo training for excavator and wheel loader without having to take their machines in a real job site.

The training Academy can accommodate maximum of 20 persons with the assistance of our certified trainers.

ARACO's Customer Support Services

CareTrack is the Volvo Construction Equipment telematics system that gives you access to a wide range of machine monitoring information designed to save you time and money.

Customer Support Agreements

With Customer Support Agreements, you can mine quarries and build roads with maximum uptime, expert knowledge and enhanced productivity. You can also have an impact on infrastructure in towns, cities and countries anywhere in the world with full support from your Volvo dealer.
