WE DESIGN YOUR MOMENTS

ABOUT US

Moments delicately manages your special occasions with professionalism and understanding and an acute attention to design details by a team of dedicated designers, planners, architects & wedding consultants.

We are luxury wedding planner/ consultant whose sole purpose is to create and capture the most important moment of your choice for those seeking authentic and unique celebrations.

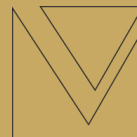

From small intimate gatherings to large and lavish affairs, we offer first class services and plan world-class events. We are consummately passionate about what we do, we ensure all our celebrations are exceptional.

We work with the very best in the business, and together we set trends rather than follow them.

Leaders in our field, Moments is constantly striving to create the most Unique, Tranquil, Light and Inspiring space for you to find your wedding needs and special occasion requirements. We make it happen!

Our focus is always on you and the way that you feel... It's about your ultimate experience.

People don't remember days they remember moments, **we design your moments.**

OUR VISION

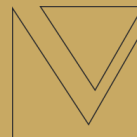

Driving the weddings and events business to a whole new scale by introducing wedding consultancy to the full areas that are related to your wedding by partnering with renowned suppliers and combining efforts to demonstrate a new era of luxury weddings and events in Qatar, GCC and The middle east.

OUR MISSION

To deliver to our renowned customers complete turn key solution for luxurious weddings and events by providing them a wide variety of prominent suppliers and design your everlasting moments.

WE ARE UNIQUE

The wedding planning business has many players and layers under it, which include different sectors of industries that are not directly focused on the wedding business, however, it comes under many customer segments where these suppliers provide its services to.

Currently, no one in the market is driving a united effort between all these industries and combining them under one roof which is specialized to cater the clients that prefer to go to a “one stop shop” and have a professional team that advises them on what best fits the full theme of the wedding, this is precisely why Moments was created and that’s why we are different.

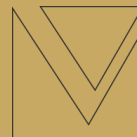

WEDDING BOUTIQUE

Welcome to the ultimate wedding boutique.

It's the only collaboration of its kind in the market which drives a united front by combining the industries of specialized services to cater for all wedding needs under one roof. Your “one-stop shop” with a fully qualified, client focused, professional team.

We have formed a unique partnership with renowned stakeholders that addresses all aspects of a wedding function; from wedding dresses, jewelry, make-up, hair styling, invitation cards, photography and video, entertainment, sweets & treats and much more.

Let our qualified team support you by working within the theme and concept of your wedding. This is precisely why Moments was created. Find out why we are different.
