BFT'S Mission

Advanced solutions, with unique and exclusive features. But also simple, accessible, and close to people. New-generation technologies designed to improve the lives of all: installers and those who use them. This is us today: a company focused on the needs of the present, with an eye to the future.

A professional and understanding company, able to take its partners by the arm and, thanks to a full access specialist approach, make them proceed at a dynamic pace, allowing them to always be in the forefront.
