KINGFISHER

TRADING & CONTRACTING COMPANY

ABOUT US

Kingfisher Trading and Contracting Co WLL was formed in 2011, we have established ourselves as the market leader in the region with a focus on customer service, quality products and reliable, consistent supply. We offer a large range of PVC Fabrics and Related accessories, Electrical & Electronics equipment's, Scaffolding and Ladders, Building materials etc.

Providing a one stop solution for all requirements. With our growth we are happy to be associated with some of the biggest brands in the industry, offering outstanding assured quality at the best prices.

It is our mission to supply our customers with the best in the industry; to do this, we are continuously expanding our range of suppliers and working with the market leaders in the sector, to ensure we not only meet but exceed your requirements.

Our goal, first and foremost, is to serve the needs of our client, in Qatar Market. In this regard we have developed a transport network to ensure we can get our products to you in good time wherever you are in Qatar. This, combined with our well stocked warehouse and experienced logistical network, means we are the reliable choice to get your material requirements in expedited time. Customer service, quality products and reliable, consistent supply. We offer a large range of PVC Fabrics and Related accessories, Electrical Materials, Building Materials Plumbing Materials, Scaffolding & Ladders providing a one stop solution for all related requirements. With our growth we are happy to be associated with some of the biggest brands in the industry, offering outstanding assured quality at the best prices.
