# Marhaba Al Khaleej

---

Marhaba Al Khaleej is one of the most progressive trading business house in the State of Qatar. We have occupied a prominent position in the market with diverse products catering to the automotive & industrial segments. To achieve the excellence that we have obtained through the experience of our journey in the past 2 decades of product knowledge and services offered is incomparable.

Our evolution is a replica of the progress shown by the Great country of Qatar with equal importance given to both the supplier and customer as a trusted distributor between the first and the last mile.

Having started with a small team of 4 members we are now a team that has grown with the rise of the Qatar market to 40 staffs as of today. Our fundamental principle has been based on the values of Passion, Responsibility and Quality

We are a leading multi-brand company in Qatar representing some of the world's most trusted brands in their respective fields such as Automotive Batteries, Automotive Tires, Lubricants, Car Care products, Maintenance Chemicals, Construction Adhesives etc.

Our company has a robust presence in the Qatar market and has been serving its customers for the past years. Our extensive coverage to the customers is ably supported by professional top management, qualified staff with a blend of experience and dynamic youngness. Our decades-long experience allows us to embrace and foster new, forward-thinking business practices. Strategically located warehouses, streamlined processes and reliable logistics team facilitates the smooth running of the operations. Since the very beginning we have stayed true to our motto of delivering quality products and services. We shall continue contributing to the major developments of Qatar.
