

INDUSTRIAL TRADING CO. W.L.L

Qatar's own firm, with a strong commitment to its customers...

Company Profile

ABOUT SHOROOK AL-DOHA INDUSTRIAL TRADING CO

SHOROOK AL-DOHA INDUSTRIAL TRADING CO was founded in 2006 as a proficient trader and service provider for various portable Industrial and construction Equipments such as Generators, Power Trowels, Plate Compactors, Cement vibrator, Air Compressors, Water pumps etc.

We are the agent and dealer for many types of electric generators in petrol, diesel, and kerosene engine such as, Elemax Honda, Fuji Deluxe, Astra Korea, Eagle, Erma, Loncin, Black Smith, Hansa, Kama, Rato and RME Generators.

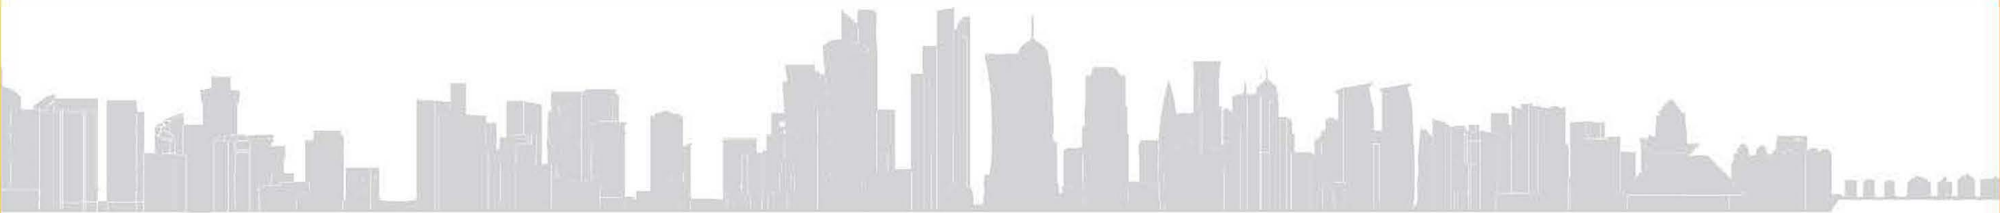

Pump sets are one of our main line of business of all ranges from 1/2" to 6" engine and electric run water pumps from different well-known and international brands such as Honda Koshin and Robin ...etc. In addition to that, we have more than a decade experience in dealing in construction equipment and our company is the agent for Hisaki products, Exen, Plant, TOKU ...etc including flexible Concrete vibrator, Plate compactors, cement mixer engines, concrete-asphalt cutter ...etc

Further to the above, we are also a major distributor of various types of agriculture equipment, hand tools, garden tools and equipment, air compressors, bear engines, Submersible pumps, ... etc

We are also the sole distributors of TVS brand bike tyres and tubes and electric batteries such as Power Road, Power Plus etc. ..

Our mission is to satisfy the customers with quality products, right price and continuous availability.

Our vision is to maintain SHOROOK AL DOHA as one of the top dealers of portable Industrial and construction Equipments in Qatar.
