About SETCO

Switchgear Electro trading and contracting , featuring amongst the top organizations incorporated in Qatar.

We serve the requirement of industrial products to the major industrial sector, viz Oil & gas ,Building construction, and other industrial infrastructures & production sector, covers domestically inside Qatar.

Our organization has been emerged with the objective of providing the premium solutions for the industrial needs within the best time-frame, meeting the international standards.

We serve the industry with timely services , cost effective , after sales service , proper documentation, datasheets and logistics support up to the site as per client needs.

Our Vision

To Be a vital partner for industrial projects, serving the needs of our customers & joint-venture institutions mainly in industrial sectors.

Our priority and focus are on the quality services offered to the customers. To this end , we strive for excellence in pursuit of leading edge technologies.

Our Mission

To meet the requirements of our customers and serve them at the best level with quality & safety, at the same time providing our staffs and employees a better working environment & welfare.

Oil & Gas

SETCO

We supply quality lighting products for hazardous and difficult environments such as lighting fixtures both interior and exterior for all offshore rigs, platforms and land rig applications. Our regular supplies include various types of electrical, telecom, control instrumentation, thermocouple cables and generally all kinds of electrical switchgear, hard ware etc.

What we can do ?

- 
- 
- Advanced Industrial Controls
 - Air-Conditioning Enclosures
 - Automatic Transfer Switches
 - Breakers- Air, Vacuum & SF6
 - *Busway – LV, MV and HV*
 - Cabinets, Racks & Enclosures
 - Cable Connectors
 - Cable Management System
 - Climate Control Enclosures
 - Conduits (Rigid, EMT, Flex, Alum, PVC) & Accessories
 - Control Devices
 - Disconnect Switches
 - Drives – AC and DC
 - Air-Conditioning Enclosures
 - Automatic Transfer Switches
 - Breakers- Air, Vacuum & SF6
 - Busway – LV, MV and HV
 - Cabinets, Racks & Enclosures
 - Cable Connectors
 - Cable Management System
 - Climate Control Enclosures
 - Conduits (Rigid, EMT, Flex, Alum, PVC) & Accessories
 - Control Devices
 - Disconnect Switches
 - Drives – AC and DC
 - Dry Type Transformers Enclosures
 - Energy Management Systems
 - Harmonic Filters
 - Harmonic Cancellation Transformers
 - High Voltage Interrupter Switches
 - Human Machine Interfaces
 - Hospital Isolation & Surgical Panels
 - Inductive, Capacitive and Ultrasonic Proximity Switches
 - Isolation Transformers
 - Lighting & Power Panels
 - Motor Control Centers
 - MV Paralleling Switchgear
 - Programmable Logic Controllers
 - Power Conditioning
 - Power Monitoring Systems
 - Protection Relays
 - Soft Starters
 - Sub Metering Panels
 - Switchboards
 - Switchgear – LV, MV & AR
 - Transformers – MV & LV
 - Transient Voltage Surge Suppressor
 - Uninterruptible Power Supplies
 - Vibration Monitoring & Protection System

We can supply !

- 3M
- ABB
- ACME ELECTRIC
- AEG
- AIROTRONICS
- ALLEN BRADLEY
- ALPHA WIRE
- AMPHENOL
- AMPROBE
- APC
- APEX TOOLS
- APPLETON
- APPLIED STROBE
- ARROW HART
- ATLAS COPCO
- ATX
- BARD
- BALDOR MOTORS

Maintenance Contract & site services

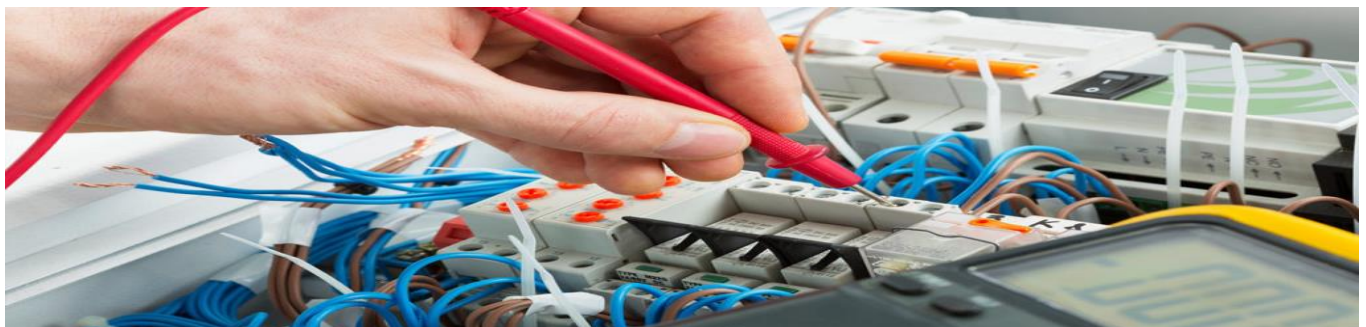

Switchgear failure resulting in a partial or total loss of your electrical network has far reaching consequences. Production lines, data networks, and other equipment's are disrupted, affecting productivity and health safety compliance in addition to financial loss and consequential repair costs.

SETCO offer structured maintenance contracts tailored to each customer's requirements for all our equipment and for the systems provided by third-party suppliers

By maintaining plant and equipment in optimum condition their life should be maximized, and energy cost reduced.

SETCO provides the simplicity of having a single point contact that takes care of all repairs and maintenance, order parts maintains records of warranties, reminds you when services are due and provides you with job feedback and reports.

Our dedicated team is ready to work with you to help your business, high-rise, rental property, shop front, or factory, run as efficient as possible.

CONTRACTING AND SERVICES :

- Installation of MV, LV Switchgear and Power Transformers
- Transmission & Distribution OHL Installation, Operation & Maintenance.
- Operation, Maintenance and Rectification of Primary/ Secondary Substations.
- Retrofitting and Modification Works.
- UPS Services and Maintenance.

- Testing and commissioning of MV, LV Switchgear, Power Transformers and Cables.
- Central Battery system service and maintenance.
- Annual maintenance Contract services.
- Technical/Non Technical Manpower supply.

- Cable Laying and Termination of LV/MV and HV with approval Kharamaa Cable jointers & Fitters & PTW.
- Electrical preventative maintenance.
- HVAC System repair, Service and Maintenance.

Switchgear Maintenance & Services:

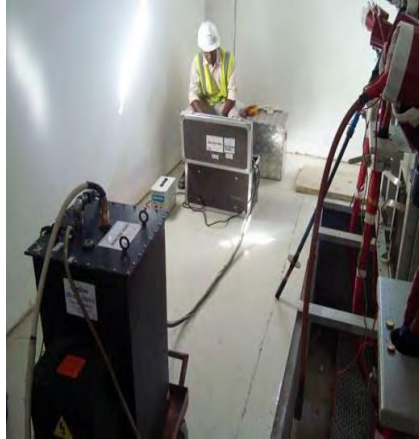

- ✓ Electrical system study and design.
- ✓ Maintenance of Transformer.
- ✓ Installation works.
- ✓ Testing and commissioning.
- ✓ Preventive, Predictive and Corrective Maintenance.
- ✓ MV, ELV systems Testing and Commissioning.
- ✓ Safety and security systems Testing and Commissioning.
- ✓ Annual Maintenance of MV Panels.
- ✓ Substation works.
- ✓ Electrical systems for marine.
- ✓ Switchgear Assembly up to DB, SMDB.
- ✓ Retrofitting, Modification, Testing and Commissioning.
