**KAHRAMAA Signs Four Contracts for Strategic Projects Related to Electricity Networks Infrastructure**

In May 2025, KAHRAMAA awarded four major power infrastructure contracts with a combined value of approximately QAR 3.1 billion (USD 851 million). Nearly 60 percent of the total contract value was secured by local Qatari companies, reinforcing KAHRAMAA's commitment to strengthening domestic capabilities in line with Qatar National Vision 2030.

The local firms awarded these contracts include:

Voltage Engineering Ltd. Co. W.L.L.

This allocation underscores KAHRAMAA's strategic focus on developing local expertise, enhancing in-country value, and fostering sustainable growth within Qatar's power and utilities sector.

**KAHRAMAA launches the 2025 Success Partners Forum**

Voltage Engineering Ltd. Co. W.L.L. has been recognized and awarded as a Rising Local Contractor in the Primary Network, reflecting its growing capability and contribution to KAHRAMAA's electricity infrastructure development. This recognition underscores the company's technical competence, execution track record, and alignment with KAHRAMAA's strategy to strengthen local participation in critical primary network projects.
